

Jennifer Mckenzie Program Agreement

DATE: June 2020

Why you're Reading This Document

It is important to me that I communicate with you openly with clarity and honesty.

I know who I love working with and I know how I love working with them.

This Coaching/Online Course Agreement (the "Agreement") outlines what we can expect from each other for the duration of our commitment working together.

If there is anything you are uncomfortable with, please let me know

immediately. I want to make sure we are on the same page moving forward. Let's do this!

1. My Promise to You.

Jennifer Mckenzie will provide you with a 4 week Online Mentorship experience teaching you how to learn how to Awaken/Activate and Navigate your intuitive /psychic skills and connection to the psychic subtle energies to the unified field to enhance all areas of your life!

Here is what I will be bringing to the table, every time:

- o Lifetime access to Lifetime Access to the module teachings
- o Digital Facebook group access and support
- o Bonus material

2. What Jennifer Mckenzie Expects of You.

Just as you are investing in me, I'm also investing my time and energy in you. I want to see you live your best life and support you in doing so.

As such, I expect you to behave in the following manner:

Please Come prepared. You are paying for my help and I want to help you. Do the work and enjoy the benefits.

Compassion and patience are

imperative in working in a group setting and I fully expect you to be supportive and loving towards yourself.

Have fun and give it everything.

3. No Guarantees. While there are some things I can control, like how much I will support you and how I'll do everything I can for you in leading your group/ coaching sessions, there are some things I cannot control. As such, no guarantees can be made for the results from our these classes/and or coaching sessions.

4. Responsibility. Please acknowledge you are fully responsible for everything you give and get from this course.

I've meticulously planned the course to bring you the greatest benefits possible, but none of that can happen if you do not put in the work. You get what you give – please be mindful of this before we begin working together.

5. Payment. Payment details and cost for coaching sessions and /or online course have been detailed for you in the payment processing link and have been previously determined.

6. Communication + Time Integrity. All communication will be done via Zoom (www.zoom.us) Audio or another online program. Even if we're next door neighbours, we'll be chatting online.

7. Time integrity is a real thing: Please be in time for the benefit of all who are joining.

8. Cancellations + Refunds.

All coaching sessions packages and online classes are final sale. There will be no refunds under any circumstances. However, this is subject to my discretion and if a refund is to be provided there is a processing fee involved

9. Currency. All prices are in Canadian Dollars and all payments must be made in CAD through Paypal, Square, or e-transfer.

10. Confidentiality. We operate and grow in a safe space. Please be mindful and respectful of all participants in the group that are sharing information and keep what is shared contained within the group space only unless you have permission from the participant for which you are sharing the information. I consider what is shared in the group as sacred, private and confidential information but on my behalf, if you share something during an online class or share an incredible breakthrough during a coaching session, people who take the same or different courses in the future or participate in coaching sessions may hear that information. The idea is that we all grow from sharing with each other. If you have any questions about this, I'll be happy to elaborate further for you.

11. Media Release + Social Media Use. By participating in online classes (*group sessions only*) which are recorded, you understand your image, voice and video may be recorded of you and that Jennifer may use your image, voice or video in the future to further her business purposes.

As such, you agree to grant Jennifer the irrevocable right and permission to use, throughout the world and in perpetuity, your image, likeness, photograph, video content, audio recordings or any other record of you which comes about through your participation in any of Jennifer's online courses or coaching sessions, whether captured by you, us, or a third party, for any purpose whatsoever without asking you for permission. You also release us from all claims that you may have in relation to the use of your image, audio or video and any social media posts made by you in the ways mentioned above. That was a bunch of legal language that gives us permission to use photos and videos of you that we take during our online courses and coaching sessions. If you are uncomfortable with this, please communicate so to Jennifer as soon as possible, and we can try to do everything to accommodate your comfort level.

12. General Terms: Jurisdiction. This Agreement will be governed exclusively by the laws of the province of Ontario.

Severability. If any provision of this Agreement is invalid or unenforceable, the other provisions in the Agreement will remain in full

force and effect. **Entire Agreement.** This Agreement constitutes the entire Agreement between the parties and replaces any prior written or oral agreements.

Waiver of Breach. The waiver by me of any breach by you of any provision of this Agreement will not be taken to be a waiver of any further breaches by you.

Notice. For the purpose of this Agreement, by confirming your seat with payment will suffice for written notice when required as set out above. **Headings.** The headings used in this Agreement are for stylistic purposes only and none of the content in the headings are intended to be legally binding.

13. THANKS FOR TAKING THE TIME TO READ THIS. WE CAN'T WAIT TO HELP YOU GROW!

Sincerely,
Jennifer
